

Pet Refuge Sponsorship Program

We know the feeling – you want to take them all home! But most of us aren't able to take home every cat we want to, and some of us can't take any of them home. But there's still something you can do! You can help them through the Pet Refuge's sponsorship program.

By sponsoring a cat, you help us to provide food, routine medical care, toys, blankets, and all the other things a cat needs. Your monthly donation will help us to care for these cats until they are adopted. Or, in the case of permanent shelter residents, for their long-term needs.

You can select a cat (or more than one!). Sponsorships are a minimum of \$20.00 per month. Your payments can be through monthly checks or through PayPal. Or, if you prefer, you can pay in one annual payment. You will receive a photo of your sponsored cat as well as monthly updates about your special friend. When your sponsored cat is adopted, you will receive the good news and will have the option of transferring your sponsorship to another cat. And of course, you are welcome to visit your sponsored cat anytime the shelter is open.

Please fill out the sponsorship form and return it to Pet Refuge. The Pet Refuge is a registered 501(c)(3) nonprofit no-kill shelter, so your donation is tax deductible. Thank you!!
